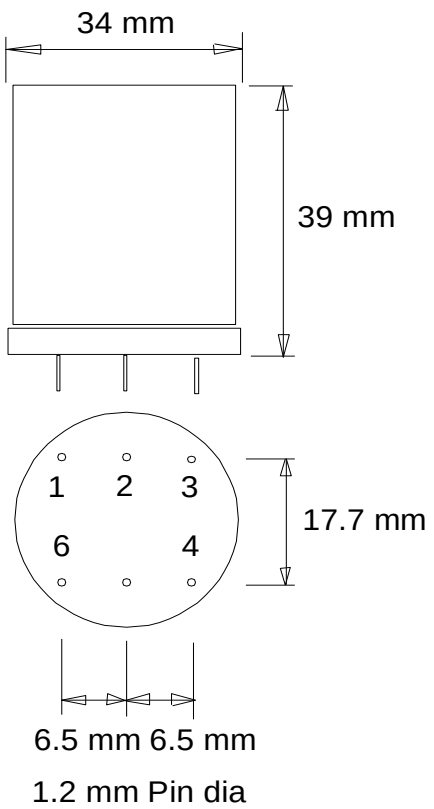
                                          Pin 5 has been omitted
```

1009 Teletronix LA-2A 1968 Input transformer
600 ohm to 50K input transformer ratio 1:9.1
Bandwidth -1.6 dB 20Hz to 20 kHz.
Similar to UTC A10.
Mumetal can w PCB pins (*style c*) or coloured leads *(style "f" or "e")*


Note. Some Drip boards may need holes enlarging to accommodate the pins on 1009c
