

# 1846s

**1846s is based on 8983 Parafeed Transformer but with 3. 5K Primary**  
30% mumetal core for exceptional inductance and bandwidth.  
Mumetal core also enhances low level signals.  
3500 ohms to 16 ohms tapped at 8 ohms.  
Size D. Style S (Fully shrouded). Ship weight 0.8 Kg.
